

SPECIAL 30" **RED** TEMPLATE MATERIAL SALE!!

For a limited time, ADSI is offering a special, **one-time** sale on 30 inch wide, high visibility, RED template material for your granite countertop applications. This material is perfect for that job that requires a little more visibility, but without the commitment of purchasing an entire roll.

This high visibility material is of the same quality as our popular AT-30 material, is .010" in thickness, with a textured underside and smooth top. This special red material has been made to the same stringent quality specifications that you have come to expect from ADSI AT-30 material.

We have a limited quantity available in 30 foot (AT-3030-R) and 50-foot rolls (AT-3050-R), for \$1.00 per foot, plus shipping.

Once our supply is depleted, this material will not be offered again.
